

Saints Peter and Paul School Homeroom Fees

Dear Parents,

Each year we collect a \$15 homeroom fee per child to help offset expenses related to extra classroom-related activities. This money is managed by the homeroom parents, in conjunction with the teacher, and covers activities identified as classroom appropriate. For example, your homeroom fees provide a small teacher birthday gift, a jump start to the annual spring fundraiser theme basket, and items for the annual teacher appreciation luncheon. A full accounting of the money is submitted at the end of the year by the homeroom parents.

Please send your money with the coupon below to the School Office by Thursday, September 27th. (Please make checks payable to SSPP HSA.)

Thank you!

Tina Hodlofski and Sally Lemheney
