

Dear Parents ~

Our School and Parish families work together to strengthen the Catholic faith and spiritual values of our students while teaching sensitivity to and understanding of our diverse world.

The Saints Peter & Paul School community is filled with people ~ students, teachers, staff and families ~ who approach each task with hearts to love and hands to serve.

The Saints Peter and Paul Home and School Association is a partner in the quest for creating excellence at our school.

We humbly request you, the school parents, to join us in any way that is possible for you.

There are many ways to become involved with your school. The listing on the next page, although not complete, can serve as a starting point for joining us.

Please reach out to the contacts provided for more information.

We look forward to knowing you, working with you and continuing to build a strong school community with you.

Regards,

The Saints Peter and Paul
Home & School Association
