

Dear Saints Peter and Paul Families,

We are happy to advise you that you may now begin applying for financial aid for the 2017/18 school year for your children in Kindergarten to Grade 8.

At Saints Peter and Paul School, the majority of our financial assistance for families comes from the business tax credit program called "EITC". For this school year we received \$105,000 of EITC funds from local businesses and this money is helping 35 families in our school. We would like to help as many Saints Peter and Paul families as possible for next school year. We need you to complete an application to make this possible.

A service called "SmartAid" is being used for submitting your on-line application. To access the application, go to: www.smartaidforparents.com. Our school code is: 11998. The priority deadline for applications is December 31, 2016. We strongly encourage you to meet this deadline.

If you have any questions or need assistance with your application, please contact Barbara Downing in the Advancement office at 610-696-1000 x262 or advancement@sspeterandpaulrc.org.
